- 3) You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
- 4) Benefits and premiums under this policy may be suspended for up to 24 months if you become entitled to benefits under Medicaid. You must request that your policy be suspended within 90 days of becoming entitled to Medicaid. If you lose (are no longer eligible for) benefits from Medicaid, this

- 5) If you are eligible for, and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within ninety (90) days of losing your employer or union-based group health plan.*
- 6) Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB). For information on Medicaid eligibility, call your Social Security office. For questions on Medicare Supplement insurance, call 1-800-MEDICARE (1-800-633-4227).

*If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
