Plans F and J also have an option called a high deductible Plan F and a high deductible Plan J.* These high deductible plans pay the same benefits as Plans F and J after one has paid a calendar-year \$2,000 deductible. Benefits from high deductible Plans F and J will not begin until out-of-pocket expenses are \$2,000. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plans' separate foreign travel emergency deductible.

**Plans K and L provide for different cost-sharing for items and services from Plans A-J. Once you reach the annual limit, the plan pays 100% of the Medicare copayments, coinsurance and deductibles for the rest of the calendar year. The out-of-pocket annual limit does NOT include charges from your provider that exceed Medicare-approved amounts, called "excess charges." You will be responsible for paying excess charges.

***The out-of-pocket annual limit will increase each year for inflation.

*This high deductible plan pays the same benefits as Plan F after one has paid a calendar-year \$2,000 deductible. Benefits from High Deductible Plan F will not begin until out-of-pocket expenses are \$2,000. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. This includes the Medicare deductibles for Part A and Part B, but does not include the plan's separate foreign travel emergency deductible.

QUALITY ASSURANCE

As part of our Quality Assurance program, all contracted hospitals must meet Medicare standards. In addition, hospitals must meet the contract criteria stated in the Hospital Agreement.

Each hospital must: agree to maintain its state licensure; agree to maintain its Blue Cross and Blue Shield of Illinois Plan Hospital status; agree to maintain its Medicare participating status; be accredited and maintain its accreditation by the Joint Commission on the Accreditation of Healthcare Organizations (JCAHO) or the American Osteopathic Association (AOA); and agree to waive the Part A deductible.

MED-SELECT HOSPITAL RESTRICTIONS

Plans B, C, D, E, F, K and L are Med-Select policies currently available. Part A benefits may be restricted if you receive services in a hospital that is not a Med-Select Hospital.

The full benefits of your coverage, excluding Plan K & L coinsurance, will be paid anywhere if:

1. Services are provided in a Doctor's office, another office setting, or in a skilled nursing facility;
2. The services are for symptoms requiring emergency care or are immediately required for an unforeseen illness, injury or condition and it is not reasonable to obtain such services from a Med-Select Hospital (such as while you are traveling); or
3. Covered services are not available through a Med-Select Hospital.
